

ISO 9001:2015 Certified

About the Certification

ISO 9001 is a globally recognized standard for quality management system (QMS). To earn this certification, companies go through arduous processes and extensive third-party audits. Organizations of all sizes and industries use this standard to demonstrate the ability to consistently meet customer expectations, provide quality products, and adhere to regulatory requirements. Accredited certification bodies issue the certificate after auditing an organization's quality management system against the requirements of the ISO 9001 standard.

As an ISO 9001:2015 certified company, Shakti Borax meets ISO management system standards and has developed, executed, and continuously refined its Quality Management System. By attaining this certification, we exhibit our competence to consistently supply products that satisfy customer requirements and conform to statutory and regulatory mandates. It further enables us to identify and mitigate risks associated with product quality.
